Intent: To reflect the way we do things currently, due to dishonesty in the sub-committee.

MOTION 14-6-03

3.) Under literature distribution (p. 24) **INSERT** “The H&I sub-committee is to receive 50 Gold Coast Area meeting lists monthly”

Intent: It was already in the South Broward Area Literature Distribution Committee Guidelines (P. 28 line 44). This ensures that the H&I subcommittee has all necessary literature.

MOTION 14-6-05

4.) **ADD** new position (p. 25 line 8): Orientation Person: Nominated and elected by the H&I sub-committee from its voting members.

Intent: This reflects the way things are done.

MOTION 14-6-09

8.) Under additional guidelines #6 lines 9-10 **ADD** “speakers chairpersons must not be employed, affiliated or SEEKING EMPLOYMENT at the facility.”

Intent: This reflects the fact that a lot of people in NA are employed by Treatment facilities. We cannot be employed or affiliated with places when we take in an H&I commitment to ensure the mental and emotional safety of the people we take the meeting to.

MOTION 14-6-10

9.) **INSERT ORIENTATION PACKET INTO THE POLICY**

SOUTH BROWARD AREA OF NARCOTICS ANONYMOUS HOSPITALS AND INSTITUTIONS ORIENTATION PACKAGE

ORIENTATION

H&I orientation is a period that allows NA members to become familiar with H&I work so they aren't rushed into it without any preparation for this service. Many people are apprehensive about getting into H&I for a variety of reasons. Don't be put off, everyone has something to offer.

This packet has been compiled by the South Broward Area H&I Sub-committee to give a brief outline of some of the specifics that will be important for you as a panel member. The H&I handbook gives a much more in-depth look at H&I work in Narcotics Anonymous if you decide you want to learn more about this rewarding type of service.

As a part of orientation we ask that you attend your first H&I presentation as an observer. This will give you a chance to just listen at first and see how an H&I presentation really works. This introduction helps many feel more comfortable when they come join the panel.

WHY IS AN H&I PRESENTATION NECESSARY?

The purpose of an H&I presentation is to carry the NA message of recovery to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I meetings, except for those in long-term facilities, are intended to simply introduce those attending to some of the basics of the NA program.

WHO IS BEST SUITED TO CARRY THE NA MESSAGE INTO A HOSPITAL OR INSTITUTION?

In our experience, it is best for members to have three months clean before attending an H&I presentation as a panel member or speaker, and six months clean before chairing or co-chairing an H&I presentation. It is not important whether or not we have been in a similar facility ourselves. Anyone with a CLEAR and CONSISTENT NARCOTICS ANONYMOUS MESSAGE who is willing to share is well suited for H&I work.

WHAT DO WE PROVIDE AS A SUB-COMMITTEE?

LITERATURE: When the facilities themselves are unable to provide approved NA literature to their residents, H&I will provide such literature. Each facility is different and literature guidelines are set with the subcommittee based on the facility's needs and guidelines. The same rules apply for key tags and other approved NA supplies.

PEN PAL/JAIL MAIL: This is a function of the SOUTH FLORIDA REGIONAL H&I SUB-COMMITTEE. Forms for participating in the valuable service are available through this sub-committee.

WHAT WE DO NOT PROVIDE:

TRANSPORTATION SERVICES: H&I Sub-committees do not provide transportation for residents to outside NA meetings. Providing rides could create a liability for the H&I sub-committee, the Fellowship and the NA member, i.e.: accidents, escapes and false accusations.

H&I PRESENTATION FORMAT:

There are a variety of formats that we use when carrying the message into facilities, but there are some key points to keep in mind about all of them.

The format of any particular H&I presentation may vary from meeting to meeting depending on the type of facility. In short-term facilities, the format will be more focused on the panel members carrying a message into the residents, while at a long-term facility we may encourage more participation from the residents. In H&I we are carrying the message into the facility. At an H&I presentation we are not there to dump our problems, but rather to help these addicts become aware of what NA is and how it works in our lives. In effect, an H&I meeting is an introduction to our fellowship for addicts.

The panel leader should let you know what the format is before the presentation and should be able to answer any questions you may have about it. If you would like to see samples of a variety of formats, there is an explanation of several of them in the H&I Handbook.

Whatever format is chosen, we normally get the residents involved with a question and answer session at some point in the presentation. Also, you may be asked to stay after the meeting for awhile to talk with residents if that is allowed.

SOME SUGGESTED TOPICS:

1. Transition to the fellowship.
2. The BASICS: Don't use, meetings, phone numbers, literature, sponsorship, and THE 12 STEPS.
3. Responsibility for our own recovery.
4. Identify rather than compare.
5. Spiritual not religious program.
6. Denial and reservations.
7. Giving up old playmates, playgrounds and playthings.
8. Living JUST FOR TODAY.
9. The first three steps.
10. Surrender, acceptance and feelings.

This is a list of some topics that could be talked about during your meetings, but there are countless others. Topics should, however, be chosen carefully, keeping in mind the 12 STEPS and 12 TRADITIONS of NARCOTICS ANONYMOUS.

PERSONAL COMMITMENTS

Please DO NOT volunteer for an H&I Commitment if:

1. You are not sure that you want to attend.
2. You are not sure will be able to attend the meeting. If something comes up and you will be unable to make it, try to give a member from the sub-committee at least 48 hours notice so that he/she can invite someone to fill your spot. DO NOT ask someone to take your place or even to come along with you to the meeting. The meeting chairperson is the only one that is allowed to invite people to an H&I presentation.

QUESTIONS AND ANSWERS

It is a good idea to encourage questions concerning what was presented at the meeting or other general questions about NA, but there are a few things you should keep in mind.

Please remember that NA has NO OPINION on outside issues. Occasionally during the question and answer period or when talking after the presentation, the residents will ask us to give an opinion on outside issues, such as:

1. Other recovery programs or fellowships
2. The facility, i.e.: "Do I need to stay in treatment?"
3. Many other issues that do not pertain to recovery from addiction in the

Narcotics Anonymous Fellowship.

It is very important that we are not drawn into these types of discussions! Always remember to only share your experience, strength and hope about YOUR recovery in Narcotics Anonymous.

WORKING WITH OTHERS: MEN WITH MEN, WOMEN WITH WOMEN

Some facilities house only men or only women. Other facilities house both men and women, but keep them separate. In these facilities, where your presentations will consist of only men or only women, we feel strongly that only same-sex Narcotics Anonymous members should participate. Remember, our primary purpose is to carry the message of recovery, not to make our presentations more popular with the addicts we are trying to help. Problems that arise in this area have the potential to seriously damage the credibility of Narcotics Anonymous. Experience has taught us that we can avoid problems if we follow this simple guideline.

ADOLESCENTS

When adolescents are referred to in this orientation package, we are referring to anyone under the legal age of majority in Florida. We need to remember that adolescents are prospective members and should be treated with respect. When sharing in an H&I presentation, we need to remember that to an adolescent, the stress experience due to peer pressure or the relationship with their parents and/or teacher may be just as much a crisis to them as losing a job, marriage, or house may be to others. In NA, we learn to deal with our feelings and emotions, and share with others how we have been able to work through them by utilizing the Twelve Steps of Narcotics Anonymous.

Due to the government statutes regarding adolescents, we need to be especially aware of facilities' rules and regulations as they relate to our interaction with these prospective members. For example, some facilities may require a staff member to be present during H&I presentations. One suggestion we may make to administrators or facilities for adolescents is that they make the attendance at the H&I presentation voluntary. We have found this reduces distraction, increasing the opportunity for recovery in the Narcotics Anonymous Fellowship.

While some people maintain that adolescents respond better to people closer to their own age, the bulk of our experience suggests that the age of a person sharing at an adolescent H&I presentation is secondary to their ability to share a strong, clear message of recovery. Adolescents seem to respond more to the message than to the messenger. All H&I presentations are highly structured and should be geared towards recovery through the Twelve Steps of Narcotics Anonymous. Our experience has shown that we do not need to use a special format when carrying the message to adolescents. In addition to the do's and don'ts found at the end of this package we feel that the following should be included.

DO'S

- DO** Remember that this is a “we” program. No addict should feel that he/ is being preached to
- DO** Remember that an addict is an addict, regardless of age.
- DO** Tell them that there is fun in recovery, i.e.: social events, fellowships, etc.
- DO** Acknowledge and validate their feelings and emotions.

DON'TS

- DON'T** Glorify your past.
- DON'T** Say, “I feel like I’m talking to my kids.”
- DON'T** Compare your bottom to theirs.
- DON'T** Patronize adolescents.
- DON'T** Use profanity.

H&I REQUIREMENTS

If you decide that you want to make a commitment and serve on the H&I sub-committee it is because:

1. You have at least six (6) months abstinence from all drugs.
2. You have a strong NA message of recovery from addiction.
3. You are willing to comply with all of the H&I sub-committees and facility’s requirements.
4. You are willing to carry the message in a responsible way.

DO'S AND DON'TS FOR H&I PARTICIPATION

DO'S

- DO** Make the directories of outside meetings available to residents.
- DO** Clarify the facility’s rules with anyone you bring in.
- DO** Start and end on time!!!!
- DO** Briefly explain what H&I is.
- DO** Make it clear that NA is separate and distinct from the facility as well as other fellowships.
- DO** Try to get residents involved, especially those in long-term facilities (i.e.: literature person, coffee maker, readings, etc.)
- DO** Obey the dress codes. Exercise common sense and dress appropriately.
- DO** Keep staff aware of your whereabouts at all times.
- DO** Stamp all literature you bring into a facility with the local helpline number.
- DO** Screen all panel members carefully, especially regarding clean time or other requirements.

DON'TS

- DON'T** Break another person’s anonymity, or tell his or her story.
- DON'T** Debate any issues involving facility rules or regulations.
- DON'T** Get involved in discussions on outside issues; remember why we are there.
- DON'T** Put too much focus on what it was like. They already know.

DON'T Debate which drugs are acceptable. NA is a program of complete abstinence from all drugs.

DON'T Discuss conditions within the facility, or opinions about staff members.

DON'T Carry excessive cash, or wear expensive or flashy jewelry.

DON'T Show favoritism to any resident(s).

DON'T Take messages in or out of the facility.

DON'T Give out any other person's address or phone number.

DON'T Carry in any contraband items, such as cigarettes (if applicable) or weapons.

Remember at all times that you have a responsibility to the facility, to the residents, and to NA. If you observe the above suggestions, and follow the Twelve Traditions, you will uphold the responsibilities to all three.

INTENT: FULL DISCLOSURE. This allows everyone to see what is required and allows everyone to have any and all information that is associated with the H&I sub-committee.
