DEFINITION OF AN AREA SERVICE COMMITTEE:

An Area Service Committee (ASC) is a committee made up of representatives (GSRs) from groups within a designated area, an administrative committee, and Sub-Committee chairpersons which meets monthly for the express purpose of serving the specific needs of its member groups.

The most important service that an ASC provides is that of its groups' needs. Whenever a group has a specific situation or need, which it has not been able to handle on its own, it can come to its Area Service Committee for help. These situations are almost limitless in scope, however, we have learned that we can get much accomplished when we work together.

An ASC performs other functions, which are of help to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars to train trusted servants. The point is that an ASC handles whatever functions are necessary or helpful to its groups.

In order to provide these services an ASC needs the active participation of its GSRs. A group supports its Area Service Committee both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an Area grows the financial needs of the committee also grows. In order to provide a full line of services it requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate sources of financial support are helpful, but the bulk of the responsibility still falls on the members of the groups.

FORMAT OF AN AREA SERVICE MEETING:

An ASC meeting is run by The Twelve Traditions, the Twelve Concepts, Area Policy, and then Robert Rules of Order.

1. Open meeting with the Serenity Prayer.
2. Read Traditions and the definition of an ASC.
3. Announce: "Parents, please take responsibility for your children and for their safety. To allow the ASC to focus on our business, please do not allow your children to roam the building. We also ask if they become disruptive to remove them and come back when they are settled down."

SBASC MEETING PARLIAMENTARY PROCEDURES

MAIN MOTION:

SOUTH BROWARD AREA POLICY 02-2021

A main motion is a motion whose introduction brings business before the ASC. Such a motion can only be made when no other motion is pending.

AMMENDMENTS:

An amendment is a motion to modify the wording and within certain limits the meaning of a pending motion before the pending motion itself is acted upon. An amendment must in some way involve the same question that is raised by the motion to which it is applied. An amendment cannot introduce an independent motion. An amendment is debatable only if the motion to be amended is debatable.

MOTIONS TO TABLE:

A motion to table may be applied only to a main motion that is pending. At the time a motion to table is made, an intent is to be given. The motion to table is in order for:

- a. To get further information.
- b. More pressing business to be dealt with.

A motion that is tabled remains on the table until taken up by the ASC by a motion to do so, or until the next ASC meeting when it will be brought up by the administrative committee under Old Business. This motion is not intended to kill a main motion or suppress debate on it.

MOTIONS THAT CHANGE POLICY

Are automatically tabled to groups.

MOTIONS TO REFER TO COMMITTEE:

When a motion to refer to committee is made, it is to send an item of business to a relatively small group of selected persons, a committee, so that a question may be carefully investigated and put into better condition for the ASC to consider. Unless specified, the issue will be brought up at the next ASC meeting by the committee. Debate on a motion to refer to committee will be limited to one pro and one con, and the debate will pertain only to the desirability of committing the motion or the instructions to the committee, and not to the merits of the main motion. If passed, there will be two pros and two cons on the original motion so as to obtain information to give direction to the committee.

MOTIONS TO REFER TO GROUPS:

When a motion to refer to groups is made, it is to send an item of business to the groups for their consideration. The issue will be voted on at the next ASC meeting. Debate on a motion to refer to groups will be limited to one pro and one con and the debate will pertain only to the desirability of committing the motion. If passed, there will be two pros and two cons on the original motion so as to give information to bring back to the groups. All motions tabled to groups from Area/Region will have intent.

MOTIONS TO RECONSIDER

A motion to reconsider is meant to bring an item that has already been dealt with onto the floor. This is used to permit the correction of hasty, ill-advised, or erroneous action, or to take into account new information or situations not considered when taking the original vote. Since this motion is not to be used for rehashing motions that an individual or minority were not pleased with the outcome, this motion can only be made by a GSR who voted on the prevailing side or a member who spoke in debate to the prevailing side of the motion. After the end of the next ASC meeting it would no longer be in order to reconsider a motion. You may not reconsider a motion more than once.

UNANIMOUS CONSENT:

That is a method that allows the ASC to move quickly through a routine business or questions of little importance. This is a less formal way of handling business and is an alternative to taking a vote on a motion. If the Chairperson senses no opposition to a motion, he/she will state that the motion is carried by unanimous consent unless there is an objection. If there is no objection to this, the minutes will reflect that all of the voting members were in favor. If a member objects to this, the matter will go to a vote as

prescribed for the motion.

WITHDRAW OR MODIFY:

A request to withdraw or modify may be made by the maker of the original motion upon his/her acceptance of a suggestion from another member. After the motion is made it belongs to the ASC as a whole and the maker must request the ASC's permission. The Chairperson treats this as a unanimous consent matter, that is, if no one objects to this, the request is granted. If there is an objection, the Chairperson automatically puts the request to a vote which is not debatable.

MOTION TO CALL THE VOTE:

A motion to call the vote must be seconded and allows for only one pro and one con. A 2/3 majority is required to adopt this motion. The intent of this motion is to bring the original motion to a vote without any further amendment or debate. This motion is not to be made to suppress information but rather to expedite the proceedings.

POINT OF INFORMATION:

A point of information is a question directed to the Chairperson to obtain information concerning parliamentary procedure on the motion that is pending. This allows a member to ask a question and it is not to make a statement or give information.

POINT OF ORDER:

When a member feels that the rules, policy or guidelines of the ASC are not being adhered to, he can make a "Point of Order" which in effect is asking the Chairperson to make a determination of whether or not the procedure the member is pointing out is in fact being violated. A point of order is not a method in which to dispute the accuracy of validity of another member's remarks but instead is to bring to the attention of the Chairperson that a member feels that the proper procedure is not being followed.

SUSPEND THE RULES:

A motion to suspend the rules is made when a member of the ASC would like to waive certain ASC procedure. The motion will include the rule to be suspended and the length of time it shall be suspended. The motion requires a second and a 2/3 majority.

APPEAL TO THE DECISION OF THE CHAIR:

By electing the ASC Chairperson, the ASC delegates to him/her the authority and duty to make necessary rulings on questions or parliamentary procedure. Any two members have the right to Appeal from his/her decision on such a question. By one member making the appeal and another seconding it, the question is taken from the Chairperson and given to the ASC for final decision. Debate will be limited to one pro by the maker of the motion, and one con by the Chairperson, limited to one minute each.

IMPEACHMENT PROCEDURES

When a member of the Administrative Committee, or a Sub-Committee Chairperson misses two (2) consecutive meetings, or fails to perform his/her duties, a letter will be sent stating the charges prior to voting. Following the letter, the person may make a rebuttal. Impeachment will be determined by vote at the ASC meeting. Relapse may fall under the heading of "failure to perform duties". It takes a 2/3 vote to impeach. The vote is done by closed ballot.

RESIGNATION PROCEDURES

Submit a letter to the ASC Chairperson prior to the ASC stating your resignation.

H&I orientation is a period that allows NA members to become familiar with H&I work so they aren't rushed into it without any preparation for this service. Many people are apprehensive about getting into H&I for a variety of reasons. Don't be put off, everyone has something to offer.

This packet has been compiled by the South Broward Area H&I Sub-committee to give a brief outline of some of the specifics that will be important for you as a panel member. The H&I handbook gives a much more in-depth look at H&I work in Narcotics Anonymous if you decide you want to learn more about this rewarding type of service.

As a part of orientation we ask that you attend your first H&I presentation as an observer. This will give you a chance to just listen at first and see how an H&I presentation really works. This introduction helps many feel more comfortable when they come join the panel.

WHY IS AN H&I PRESENTATION NECESSARY?

The purpose of an H&I presentation is to carry the NA message of recovery to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I meetings, except for those in long-term facilities, are intended to simply introduce those attending to some of the basics of the NA program.

WHO IS BEST SUITED TO CARRY THE NA MESSAGE INTO A HOSPITAL OR INSTITUTION?

In our experience, it is best for members to have three months clean before attending an H&I presentation as a panel member or speaker, and six months clean before chairing or co-chairing an H&I presentation. It is not important whether or not we have been in a similar facility ourselves. Anyone with a CLEAR and CONSISTENT NARCOTICS ANONYMOUS MESSAGE who is willing to share is well suited for H&I work.

H&I REQUIREMENTS

If you decide that you want to make a commitment and serve on the H&I sub-committee it is because:

1. You have at least six (6) months abstinence from all drugs.
2. You have a strong NA message of recovery from addiction.
3. You are willing to comply with all of the H&I sub-committees and facility's requirements.
4. You are willing to carry the message in a responsible way.

WHAT DO WE PROVIDE AS A SUB-COMMITTEE?

LITERATURE: When the facilities themselves are unable to provide approved NA literature to their residents, H&I will provide such literature. Each facility is different and literature guidelines are set with the subcommittee based on the facility's needs and guidelines. The same rules apply for key tags and other approved NA supplies.

PEN PAL/JAIL MAIL: This is a function of the SOUTH FLORIDA REGIONAL H&I SUB-COMMITTEE. Forms for participating in the valuable service are available through this sub-committee.

WHAT WE DO NOT PROVIDE:

TRANSPORTATION SERVICES: H&I Sub-committees do not provide transportation for residents to outside NA meetings. Providing rides could create a liability for the H&I sub-committee, the Fellowship and the NA member, i.e.: accidents, escapes and false accusations.

H&I PRESENTATION FORMAT:

There are a variety of formats that we use when carrying the message into facilities, but there are some key points to keep in mind about all of them.

The format of any particular H&I presentation may vary from meeting to meeting depending on the type of facility. In short-term facilities, the format will be more focused on the panel members carrying a message into the residents, while at a long-term facility we may encourage more participation from the residents. In H&I we are carrying the message into the facility. At an H&I presentation we are not there to dump our problems, but rather to help these addicts become aware of what NA is and how it works in our lives. In effect, an H&I meeting is an introduction to our fellowship for addicts.

The panel leader should let you know what the format is before the presentation and should be able to answer any questions you may have about it. If you would like to see samples of a variety of formats, there is an explanation of several of them in the H&I Handbook.

Whatever format is chosen, we normally get the residents involved with a question and answer session at some point in the presentation. Also, you may be asked to stay after the meeting for a while to talk with residents if that is allowed.

SOME SUGGESTED TOPICS:

1. Transition to the fellowship.
2. The BASICS: Don't use, meetings, phone numbers, literature, sponsorship, and THE 12 STEPS.
3. Responsibility for our own recovery.
4. Identify rather than compare.
5. Spiritual not religious program.
6. Denial and reservations.
7. Giving up old playmates, playgrounds and playthings.
8. Living JUST FOR TODAY.
9. The first three steps.
10. Surrender, acceptance and feelings.

This is a list of some topics that could be talked about during your meetings, but there are countless others. Topics should, however, be chosen carefully, keeping in mind the 12 STEPS and 12 TRADITIONS of NARCOTICS ANONYMOUS.

PERSONAL COMMITMENTS

Please DO NOT volunteer for an H&I Commitment if:

1. You are not sure that you want to attend.
2. You are not sure will be able to attend the meeting. If something comes up and you will be unable to make it, try to give a member from the sub-committee at least 48 hours' notice so that he/she can invite someone to fill your spot. DO NOT ask someone to take your place or even to come along with you to the meeting. The meeting chairperson is the only one that is allowed to invite people to an H&I presentation.

QUESTIONS AND ANSWERS

It is a good idea to encourage questions concerning what was presented at the meeting or other general questions about NA, but there are a few things you should keep in mind.

Please remember that NA has NO OPINION on outside issues. Occasionally during the question and answer period or when talking after the presentation, the residents will ask us to give an opinion on outside issues, such as:

SOUTH BROWARD AREA POLICY 02-2021

1. Other recovery programs or fellowships
2. The facility, i.e.: "Do I need to stay in treatment?"
3. Many other issues that do not pertain to recovery from addiction in the Narcotics Anonymous Fellowship.

It is very important that we are not drawn into these types of discussions! Always remember to only share your experience, strength and hope about YOUR recovery in Narcotics Anonymous.

WORKING WITH OTHERS: MEN WITH MEN, WOMEN WITH WOMEN

Some facilities house only men or only women. Other facilities house both men and women, but keep them separate. In these facilities, where your presentations will consist of only men or only women, we feel strongly that only same-sex Narcotics Anonymous members should participate. Remember, our primary purpose is to carry the message of recovery, not to make our presentations more popular with the addicts we are trying to help. Problems that arise in this area have the potential to seriously damage the credibility of Narcotics Anonymous. Experience has taught us that we can avoid problems if we follow this simple guideline.

ADOLESCENTS

When adolescents are referred to in this orientation package, we are referring to anyone under the legal age of majority in Florida. We need to remember that adolescents are prospective members and should be treated with respect. When sharing in an H&I presentation, we need to remember that to an adolescent, the stress experience due to peer pressure or the relationship with their parents and/or teacher may be just as much a crisis to them as losing a job, marriage, or house may be to others. In NA, we learn to deal with our feelings and emotions, and share with others how we have been able to work through them by utilizing the Twelve Steps of Narcotics Anonymous.

Due to the government statutes regarding adolescents, we need to be especially aware of facilities' rules and regulations as they relate to our interaction with these prospective members. For example, some facilities may require a staff member to be present during H&I presentations. One suggestion we may make to administrators or facilities for adolescents is that they make the attendance at the H&I presentation voluntary. We have found this reduces distraction, increasing the opportunity for recovery in the Narcotics Anonymous Fellowship.

While some people maintain that adolescents respond better to people closer to their own age, the bulk of our experience suggests that the age of a person sharing at an adolescent H&I presentation is secondary to their ability to share a strong, clear message of recovery. Adolescents seem to respond more to the message than to the messenger. All H&I presentations are highly structured and should be geared towards recovery through the Twelve Steps of Narcotics Anonymous. Our experience has shown that we do not need to use a special format when carrying the message to adolescents. In addition to the do's and don'ts found at the end of this package we feel that the following should be included.

DO'S

- DO** Remember that this is a "we" program. No addict should feel that he/ is being preached to
- DO** Remember that an addict is an addict, regardless of age.
- DO** Tell them that there is fun in recovery, i.e.: social events, fellowships, etc.
- DO** Acknowledge and validate their feelings and emotions.

SOUTH BROWARD AREA POLICY

DON'TS

- DON'T** Glorify your past.
- DON'T** Say, "I feel like I'm talking to my kids."
- DON'T** Compare your bottom to theirs.
- DON'T** Patronize adolescents.
- DON'T** Use profanity.

DO'S AND DON'TS FOR H&I PARTICIPATION

DO'S

- DO** Make the directories of outside meetings available to residents.
- DO** Clarify the facility's rules with anyone you bring in.
- DO** Start and end on time!!!!
- DO** Briefly explain what H&I is.
- DO** Make it clear that NA is separate and distinct from the facility as well as other fellowships.
- DO** Try to get residents involved, especially those in long-term facilities (i.e.: literature person, coffee maker, readings, etc.)
- DO** Obey the dress codes. Exercise common sense and dress appropriately.
- DO** Keep staff aware of your whereabouts at all times.
- DO** Stamp all literature you bring into a facility with the local helpline number.
- DO** Screen all panel members carefully, especially regarding clean time or other requirements.

DON'TS

- DON'T** Break another person's anonymity, or tell his or her story.
- DON'T** Debate any issues involving facility rules or regulations.
- DON'T** Get involved in discussions on outside issues; remember why we are there.
- DON'T** Put too much focus on what it was like. They already know.
- DON'T** Debate which drugs are acceptable. NA is a program of complete abstinence from all drugs.
- DON'T** Discuss conditions within the facility, or opinions about staff members.
- DON'T** Carry excessive cash, or wear expensive or flashy jewelry.
- DON'T** Show favoritism to any resident(s).
- DON'T** Take messages in or out of the facility.
- DON'T** Give out any other person's address or phone number.
- DON'T** Carry in any contraband items, such as cigarettes (if applicable) or weapons.

Remember at all times that you have a responsibility to the facility, to the residents, and to NA. If you observe the above suggestions, and follow the Twelve Traditions, you will uphold the responsibilities to all three.
